$U.N.m = (\text{Gravitational energy}) (M_{\pm}). (C)$

$G_e$  - Gravitational energy a base hidden pattern that couldn't be seen or felt but it exist beyond creations forms

$M_{\pm}$  - a micro chart pattern base where I find using the two total percent blocks and the no of 5 blocks on that chart pattern I create + Two total percent blocks/2 as the divisors of blocks using the percent of two blocks.

$C$  - Speed of light
